C. G. TODHUNTER,
Acting Secretary to Government.

Fort St. George, April 11, 1916.

No. 166.—The following resolution of the Government of India is republished :—

HOME DEPARTMENT.

POLITICAL.

Delhi, the 18th December 1914.

Nos. 2861—2864.

RESOLUTION.—In supersession of the orders contained in the Resolution of the Government of India in the Home Department, No. 2841-2842, dated the 8th December 1859, the Governor General in Council is pleased to issue the following instructions with regard to certificates of identity.

2. Every native of India who contemplates proceeding out of India to foreign countries is strongly urged before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the district (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. In the case of a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) or Political Officer as the case may be.

Appeals for assistance by destitute Indians who desire repatriation and by students who, owing to embarrassed circumstances, are unable to complete their course of education cannot be dealt with satisfactorily unless the parties are in a position to produce evidence of identity. The possession of a certificate of identity will be specially useful to young men of good family, as it may enable the Secretary of State to obtain for them social and other attentions.

Those who are desirous, however, of travelling in countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, as of right, on the ground that he is a British subject, and the production before authorities outside India of a certificate of identity, unless supplemented by documentary evidence of respectability is not sufficient to ensure that a passport will be granted.

Form of Certificate of Identity.

1. Name of applicant.....
2. Father's name and caste.....
3. Residence.....
4. Age of applicant.....
5. * Nationality of applicant.....
6. Social or pecuniary status of father (or guardian).....
7. Date of probable departure of applicant from India.....
8. Object of applicant's visit to England (Europe).....

Signature of District Officer (in a Presidency Town, the Commissioner of Police) or Political Officer, or head of school or college †

Dated.....

* *I.e.*, whether a British subject by birth or by naturalization (or a subject of a Native State).

† Countersignature of the District or Political Officer should be obtained on certificates signed by heads of schools or colleges.

NOTE.—Holders of certificates of identity intending to apply subsequently in England or elsewhere for a passport to visit a foreign country are warned that no person is entitled to a passport as of right on the sole ground of his being a British subject. The production of a certificate of identity, therefore, will not ordinarily be sufficient to secure the grant of a passport, unless it is supplemented by documentary evidence of respectability, endorsed by a Local Government or other authority competent to issue passports in India, certifying that the holder is a fit and proper person to receive a passport.

P. RAJAGOPALA ACHARIYAR,
Secretary to Government.

RESOLUTION.—The Government of India have had under consideration the question of the application to lascar seamen left behind by reason of illness in ports of the United Kingdom of the provisions stated in sections 34 and 35 of the Merchant Shipping Act, 1906 (6 Edw. 7 c. 48), by which the owner of a ship is liable for the medical expenses and maintenance of members of his lascar crew left behind sick at a foreign port. REVENUE NOTIFICATIONS.

NOTIFICATIONS.

No. 5. In virtue of the powers delegated under clause XI of Government Notification No. 435, dated 13th July 1896, published on pages 1293 and 1294 of the *Fort St. George Gazette*, dated 29th September 1896, Part I, and in supersession of Notification No. 17, dated 20th October 1903, published on pages 1461 and 1462 of the *Fort St. George Gazette*, dated 3rd November 1903, Part II, the Commissioner of Salt, Abkari and Separate Revenue hereby prescribes the following rules for the issue, etc., of licenses under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-yielding trees and for the drawing of sweet toddy therefrom in pots or other receptacles freshly coated internally with lime, for the purpose of manufacturing jaggery or of being sold or used as a beverage in the whole of the ordinary tracts of the Godavari district and in the sixty-seven Agency villages with their hamlets in which the tree-tax system is in force, and in the Nandipur, Bhimavaram, Tanuku, Ellore and Yerragudem taluks of the Kistna district :—

(1) Licenses under these rules shall include the privileges of manufacture and sale of sweet toddy and shall on application be issued free to bona fide manufacturers of jaggery, to those engaged in the sale of palmyra or sweet toddy and to tree-owners desirous of drawing sweet toddy for domestic consumption. Provided that licenses shall be issued in the names of the applicants only.

(2) Applications for the grant of licenses must be in the prescribed form, which may be obtained free of charge from the officers of the department. They need not be stamped but should be presented [in duplicate — T.T. 6 (a) and C.T. 10 (a)] to the Inspector or the Assistant Inspector on tour, or forwarded direct to the Circle office.

(8) Under these rules licenses will be issued for drawing sweet toddy generally from trees in selected topes, such topes not being ordinarily recognized sources of supply to any toddy shop.

(4) On receipt of an application, the Inspector or the Assistant Inspector, as the case may be, unless he sees special cause to the contrary, will at once take steps for the issue of the license.

(5) Licenses shall be current from 1st January or any subsequent date to 31st December following.

(6) For the convenience of applicants applications will be received and licenses issued during the fifteen days preceding the sweet-toddy year, provided that no sweet toddy shall be drawn except during the currency of such license. The licensee shall not tap any tree in excess of the number which he has applied for or is licensed to tap, nor shall he be allowed to tap for fermented toddy except as provided in the next clause.

(7) Licenses will, on receipt of applications in the prescribed form, be granted to the sweet toddy tappers of the areas mentioned in the preamble for not more than three trees each for the drawing of *fermented toddy* for their own bona fide domestic consumption, but not for sale, on payment of the tax at the rate fixed for the time being for tapping for fermented toddy.

(8) No license to tap for sweet toddy shall be issued to any toddy shopkeeper or to any tapper employed by such shopkeeper.

(9) Sweet toddy, if for jaggery manufacture, shall be removed from the tree only between 5 a.m. and 7 p.m., and if for use or sale as a beverage only between sunrise and sunset. Outside those periods no sweet toddy drawn for use or sale as a beverage shall be kept in the garden or field containing the trees licensed to be tapped except the freshly-drawn toddy contained in the pots attached to the spathes of the trees.

(10) Sweet toddy must be at once manufactured into jaggery or sold for or used as a beverage and no such toddy shall be kept by the tapper until the day following that on which it is drawn.

(11) No sweet toddy drawn under these rules shall be conveyed to a shop for the sale of fermented toddy, or sold to any person licensed to tap or sell fermented toddy except for his own immediate personal consumption.

(12) The license is subject to suspension or cancellation by the Collectors, or the Deputy Commissioner, Northern Division, in the event of a breach of its conditions or of the commission of any offence against the Abkari law on the part of the licensee or of any person in his employment, and no fresh license shall be granted to such persons without the previous permission of the Assistant Commissioner, Cocanada Sub division. Any person twice convicted of illicit tapping or of illicit distillation or of the illicit possession of fermented toddy may be debarred at the discretion of the Assistant Commissioner either permanently or for a time from holding a sweet toddy license.

(13) It shall be optional with the Inspector to refuse licenses for the tapping for sweet toddy of the trees of a tree-owner, any of whose trees are proved to have been illicitly tapped by persons holding on lease or otherwise under him under cover of such a license.

Board of Revenue (Separate Revenue),

3. Tree-tapping licenses shall be issued on the application—

(*a*) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(*b*) of persons having the exclusive privilege of manufacture and supply of occasional toddy arrack as foreign liquor;

(*c*) of tappers on their own application in the South Canara district, provided that the application for license is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(*d*) of tree owners generally, and of sweet-toddy tappers in the Godavari district, and in the Narasapur, Bhimavaram, Tanuku, Ellore and Yarragudem taluks of the Kistna district, for not more than five trees in the case of tree owners and three trees in the case of sweet-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale;

(*e*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State, desiring to obtain toddy from trees growing in British territory; and

(*f*) of toddy shopkeepers in the Padukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkâri Inspector of the State.

In cases (*a*), (*b*), (*d*), and (*e*) the licenses may be issued in the name of the applicant himself or of his nominee, and in cases (*c*) and (*f*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licenses must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury which may be either the District treasury, a Taluk treasury or a Salt treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Padukkottai renters when applying for trees in British territory must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licenses must be made in the prescribed form to the Inspector, Salt, Abkâri and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkâri and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before

the British Tahsildar or Deputy Tahsildar concerned along with the application in form T T 8, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping license in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licenses in the South Canara district should be countersigned by the owner of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rent thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licenses for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool district. Similarly those in the Banganapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British Territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of licenses will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8 (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer and for the issue of the license. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godavari district and in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadasal (*Arenga Wightii*) trees in South Canara, tree tapping licenses shall be annual that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for cocoanut and sago trees they shall be half yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following except in the case of the trees having been illicitly tapped, when the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licenses is applied for —

Districts.	Cocoanut palms (for each half-year as defined in rule 11 above)	Sago palms (for each half year as defined in rule 11 above)	Palmyra or date palms (for the whole year as defined in rule 11 above)	Dadasal (*Arenga Wightii*) palms (for the whole year as defined in rule 11 above).

NOTIFICATION

No. 6, dated 4th July 1916.

NOTICE OF SALE OF ABKARI PRIVILEGES.

Notice is hereby given that the number of farms and independent shops appointed for the sale of liquor, during the twelve months beginning 1st October 1916 and ending 30th September 1917 and the local limits appointed for them will be notified by Collectors in their District Gazettes, and that the privilege of sale therein will be put up to public auction on the dates, at the places and by the officers to be notified by Collectors subject to the conditions hereinafter set forth.

Conditions of Auction Sale.

II The districts in which independent toddy shops and arrack farms, respectively, will be sold are specified below :—

Independent toddy shops.	Arrack farms.
Throughout the Presidency including the Bangenapalle State and excluding the Nilgiri district and the Wynaad taluk and the Attapadi valley in the Malabar district and the Agency tracts	The Attapadi valley.

A separate notification will be issued regarding operations under the trees-tax system. Collectors will issue others regarding the tracts where special systems are in force.

III. A deposit must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 60 or less and to Rs. 5 in the case of bidders for single small shops. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for single small farms In the Karnool district, the selling officer may, where he finds it necessary, require a deposit of Rs. 10 only from bidders for toddy shops. In the South Canara district, the selling officers may at their discretion reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 2.

IV. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the Collectors The reserve price placed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been convicted by Criminal Court or has previously been guilty of such a breach of the conditions of license or of a contract under the Abkari Opium Act as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which

he may consider to be purely speculative, after recording his reasons for doing so. Village officers* will not be allowed to bid for, or to have any direct interest in shops for the sale of intoxicants

VII. The shops and farms will be knocked down to the highest bidder, but the sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken, or the shop or farm resold at his discretion.

IX. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit† of half a month's rent (in addition to the deposit made under clause VII) for each shop or farm unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause III will be forfeited and the farm or shop will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other farm or shop.

X. Persons to whom farms and shops have been knocked down and who have made deposits as provided in clauses III and IX shall also deposit such further sum as with the former deposits will make up two months' rent (to be paid within ten days from the date of communication of the Collector's acceptance of the bid) and shall without unnecessary delay execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed two months' rental, the excess will be refunded unless the purchaser is required to deposit twice that sum under clause XI infra

XI. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause X supra, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 34, schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000

XII. On the failure of any person to make deposit under clause X or to comply with the requirements under clause XI supra or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop or farm re-sold under the orders of the Divisional Officer on the dates notified by the Collector or otherwise disposed of by the latter officer.

XIII. Re-sales effected under clause XII will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with original sale.

XIV. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Tahildar ‡ and the licensee so agree, it may be credited towards the last instalments of the kists payable by the latter.

The licenses issued under the above clauses will contain the following general conditions common to all abkari and opium licenses and the special conditions prescribed below :—
